« FOREWORD »
The completion of the deep waterway through Joliet will be an outstanding development for the community. It is the hope and expectation of those interested in Joliet that this city, already famous for its industries and institutions, and for the achievements of its citizens and civic organizations, will some day become a great shipping and commercial center.
In recognition of this ambition the deep waterway has been chosen as the theme and motif for the 1930 J Yearbook. Ship Ahoy! for Joliet High, J.J.C., and all of Joliet.

Dr. Gerald Sumner is a wealthy young doctor who finally settles down to begin his practice. His first patient is Budd Woodbridge, whose ailment the Doctor quickly analyzes as love sickness and jealousy. He puts his nurse, Virginia Xelva, in charge of the case, hoping to direct the patient's thoughts from love to microbes. After a month he gives a surprise party for Budd and manages to make Grace, the girl Budd loves, jealous. Finally he brings the two together and helps to settle their affair. Virginia immediately announces that she must go to New York. The Doctor finds she is going with Preston De Witt and thinks that they are in love. He discovers that he loves Virginia and is jealous. All his theories and treatments which were so successful in Budd's case prove to be useless now. However, he finds that the trip has been called off, and matters are arranged to the satisfaction of all.

HEAVYWEIGHT FOOTBALL

Non-conference openers prove our line to be steady, with the backs a problem good early season football against Englewood they score twice in opening half then Max and Zeke duplicate this feat for us Next week against Downers Grove we gain many yards, but scoring punch is lacking then the conference fight is on once more!

West Aurora defeated 13-12 second quarter Zeke, Oldani get started Hardy grabs 25-yard pass, touchdown fighting Blue line blocks punt; Zeke scores. West opens passes, desperate one connects they score with split buck, but we block extra point more passes two minutes left we intercept pass Oldani loose for 40 yards gun pops!

Rockford, big, powerful, shove us first quarter plus 30 yard penalties, our backs to goal they score. We start to click Oldani, then Zeke, plus powerful line play Dago plunges over, 6-0 Dinny recovers fumble pass Pennuto-Oldani scores. Second half, Rabs fight gamely Jones, Ferguson, Sabotnik, McKay charge viciously Max, Clark, Zeke, Dago drive line plays heads up ball we score two safeties gain 206 yards to Rab 60 we win 16-6.

Second Row—Strappazon, Kennedy, Stewart, Ramirez, Crombie, Schauland, Dutter, Spires, Gray, Smarker, Farr, Arnold.

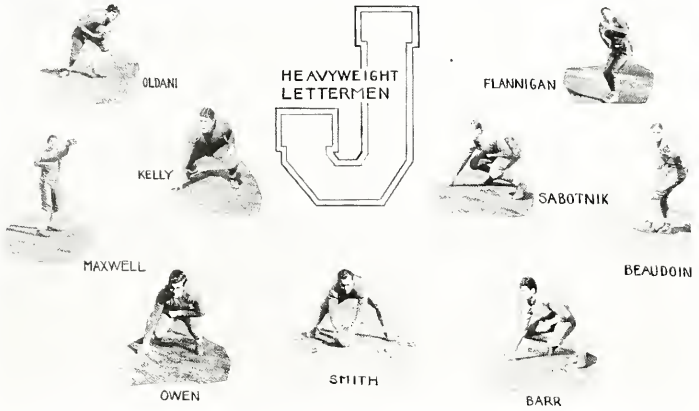
First Row—Christiansen, Belfield, Meiferd, Savich, Dobbs, Dow, Rice, Menozzi, Austin, Pennuto, Beecher, Knight, Keeley.

LIGHTWEIGHT FOOTBALL

The Lights completed another successful year by winning three games, losing one, and tieing one.

Wykoff's men opened the season by trimming Saunemin, 29 to 0 and Downers Grove, 26 to 0, on successive Saturdays. These post-season games helped to round the squad into shape for conference competition.

The conference season opened with a tie against West High, 6 to 6. Dahlen starred for Joliet when he scored on a pass from Kennedy. The next week was a surprise for the highly talked of Rab outfit when the fighting line turned back their opponents 6 to 0. Dahlen made the touchdown on a pass from Kennedy. The Freeport game was a walkaway for the locals when they won on the latter's field 25 to 0. Pennuto scored twice, Austin once, and Beecher once. Elgin went away with a 13 to 7 victory after a driving attack by their star, Karsten. Pennuto and Menozzi ripped off big gains to beat East Aurora, 14 to 6. Subs played the last quarter of the game. This ended another successful season for Coach Wykoff and his charges. Prospects of another season of wins are in store if present indications are carried out by next year's squad.



OLDANI—Fastest back in the conference. Good average on return of punts and an exceptional open field runner. Hit hard on defense. Played superior ball against Rockford, Elgin, and DeKalb. All-conference, first team.

KELLY—Captain of team and one of greatest lineman in school's history. Excellent blocker and tackler. Blocked numerous punts. Picked on all-conference team for third successive year. All-state in his last year.

MAXWELL—Best open-field runner on team, with good pivot; quick get-away. Defense was best in backfield. Left-handed passes were used to advantage. Best work in Elgin and DeKalb games. Injured in latter game after carrying the brunt of both offense and defense.

OWEN—The lightest guard in the conference for four years; played regular his last three years, and won three major letters; a sportsman and a fighter. Best games against Freeport and Elgin. Excellent interference man.

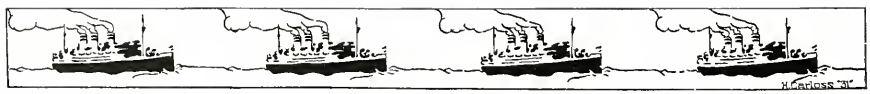
SMITH—Worked faithfully for three years and finally made the grade. Good pass and a strong determination. Got his chance when regular center was injured in Freeport game. Best games were East Aurora and Cedar Rapids.

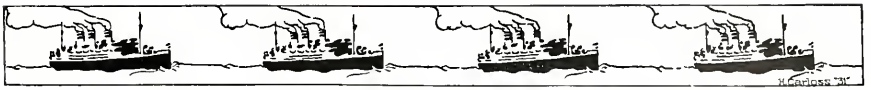
FLANNIGAN—A hard tackler and blocker with a knack of catching passes. Scored only points in Freeport game. First year of football he made good. All-conference, second team.

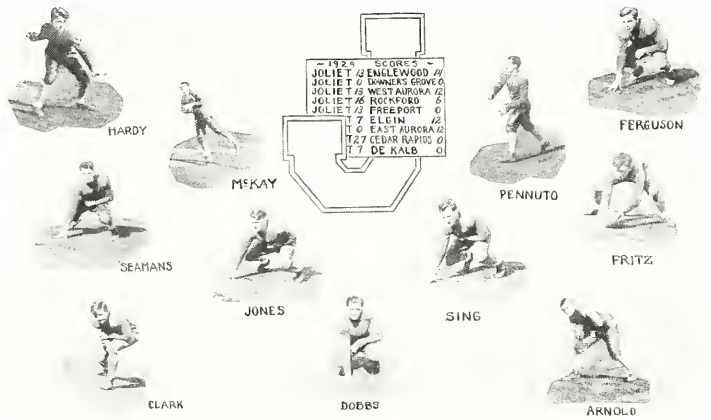
SABOTNIK—Won his fourth letter in heavyweight football. Excellent defensive man. Originally a tackle. Played brilliant ball against Rockford and Elgin. A glutton for punishment, he made all-conference guard, second team.

BEAUDOIN—Without the physique of most "blockers", he took over the job of opening holes for the other backs, and made good. Did the punting and was never outdistanced in this department of the game. A good passer and tackler. Best games against Cedar Rapids and Rockford.

BARR—A dependable lineman who blocked many punts throughout the season and never complained when things went wrong. A good defensive man with plenty of fight. Played great games against Rockford and DeKalb.







HARDY—A steady and dependable end, who drove hard under punts. Never knocked off his feet by opposing interference. Good pass receiver who made possible the win over West Aurora by his alertness. Played best against Aurora and Rockford.

McKAY—Shifted from tackle. Allowed few gains around his end. Fair pass receiver and good blocker. Needs a change of attitude which, with his size, should make him a player extraordinary. Played well against Cedar Rapids and East Aurora.

SEAMANS—Good bucker who kept his feet and gained every inch possible. Fair place-kicker and blocker. Open-field running good. Showed up best against Elgin and Rockford.

CLARK—A big fellow with lots of power when he hits the line. Should be a great help in the backfield next fall. Sure tackler and effective blocker. A good punter. Best games against Cedar Rapids and DeKalb.

JONES—A big player who could be used at any position in the line. Good blocker especially on a shoulder charge. Attitude toward the game, other players, and coach were admirable qualities. Played best against West Aurora and Rockford, where he took injured men's places. Alternated at center, guard, and tackle.

DOBBS—Hard worker in both football and basketball. Injuries kept him on the bench. Awarded honorary letter.

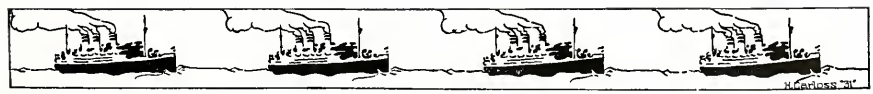
FERGUSON—An excellent utility man with a world of drive. Started at quarterback and shifted into the line where his weight was needed. Powerful blocker and a good pass from center. Best games against Rockford and East Aurora.

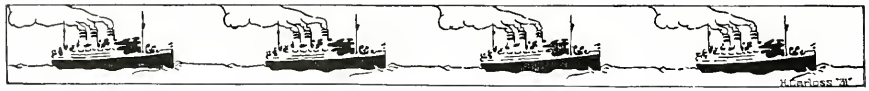
PENNUTO—Best passer on team and one of best in conference. Fair defensive man and frequently would break away for long gains. A change of attitude would also help his game. Played best against West Aurora and Rockford.

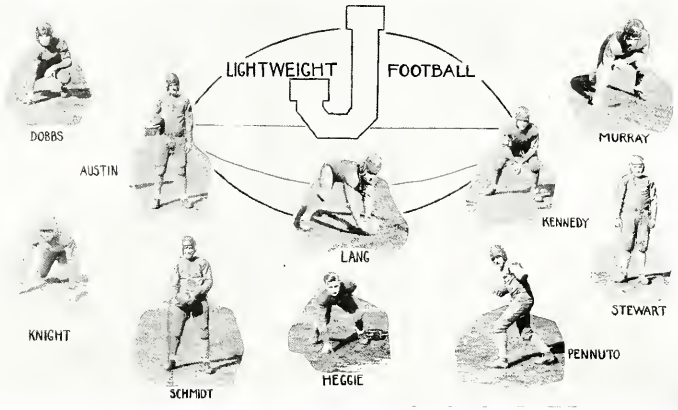
FRITZ—Vicious tackler with no fear. Handicapped by injuries received in the Freeport game. Two more years will see him at his best. Played well against Pretzels. Temperament a big handicap.

SING—One of the fastest backs in the conference. Good pass receiver and open field runner. Best games against East Aurora and Elgin. His run in latter game started the rally.

ARNOLD—Drove hard on off-tackle and end runs. Fair passer and receiver. Has two more years of play. Did well against Aurora and Freeport. Injuries held him back.







DOBBS—A freshman who worked his way up to a regular guard position. Speedy in getting out for interference. Stubborn defensive player who needs only experience.

AUSTIN—Last year's quarterback shoved to a half. Running valuable. Elusive and a heady player. Showed up well against Elgin.

KNIGHT—An all-conference man of a year ago again showed his superiority as a lineman. Injury kept him on bench most of the season. A first class tackle in any department of the game.

SCHMIDT—A hard working, hard fighting, blocking back. Injury failed to slow down his game. Experience was of great value in competition. Steady performer.

LANG—Veteran center of another successful lightweight football squad. Excellent defensive lineman and a good pass from pivot position. Slowed down by early season injury. Best against Rockford.

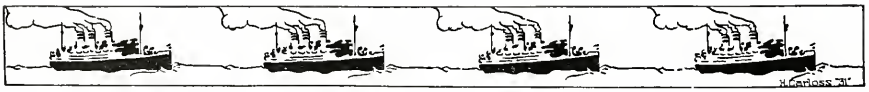
HEGGIE—A speedy halfback who usually gained ground when he had the ball. A willing and heady player. Best in Rockford game. Back again next year.

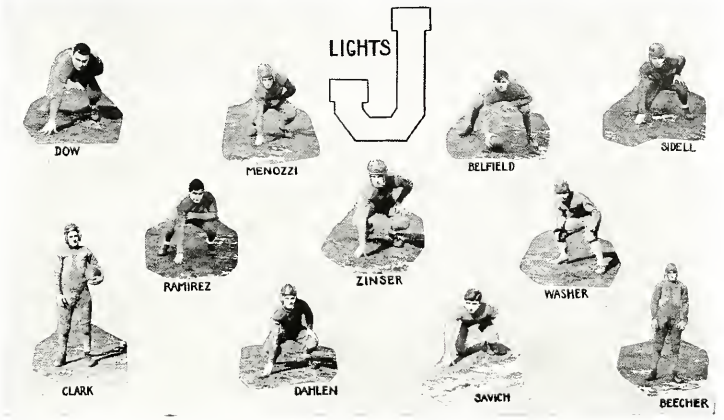
MURRAY—A guard who had speed but lacked size for the line. Blocked well when running interference.

KENNEDY—Led the team from a quarterback position. Fair punter and passer but lacked weight. Used on end runs and off tackle plays. Best work against Freeport. Back for next year.

STEWART—A hard working tackle who frequently broke up the opposing attack. Good tackler and blocker. Shifted from guard position. Outstanding lineman in Rockford game.

PENNUTO—Best ball carrier in backfield. Could buck well or run off tackle. Sure tackler and all around defensive man. Blocking responsible for many gains. Showed up best against Elgin.





DOW—Stepped in as a sub lineman and showed well for next year's squad. Good blocker and fair tackler.

MENOZZI—A back who shone as a blocker and defensive player. Also a bucker of high quality. Made valuable interferer. Steady performer.

BELFIELD—An excellent substitute lineman. Showed signs of promise for next year's heavyweights. Reach and height of great advantage.

SIDELL—A sub lineman who will be valuable in any post next year. Worked way up to a regular guard. Played best against Rockford and Freeport.

RAMIREZ—Gave promise of becoming a stellar ball carrier. Excellent showing in non-conference games. Shifty with natural ability.

ZINSER—Regular end until ineligibility cut him from squad. Fast with aggressiveness size. Looked best against West Aurora. Back again for next year's squad.

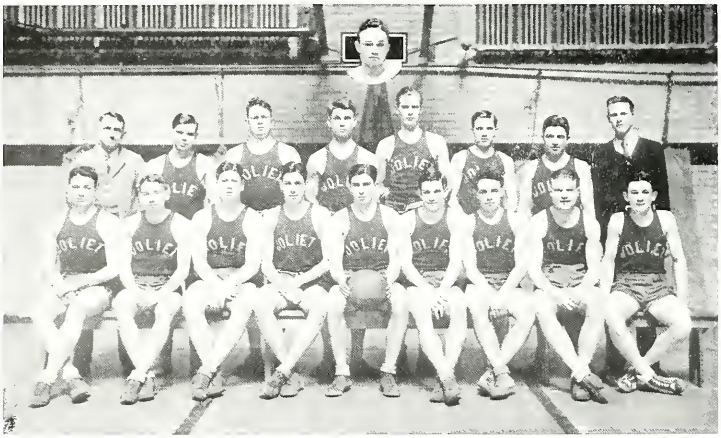
WASHER—A hard hitting player at either tackle or guard. Will graduate to the heavies next fall. Best against Elgin and Freeport.

CLARK—Another guard who didn't get much of a chance but showed up well when he did. Fair blocker and tackler.

DAHLEN—All-conference end. Pass receiving and work under punts without doubt the best seen. Few yards gained around him by opponents. Fair punter and blocker.

SAVICH—A tough defensive tackle who will probably be drafted to the heavies next year. Took injured players' jobs and filled them satisfactorily. Best in Elgin game.

BEECHER—Regular end most of season. Cool headed and a good defensive player. Pass receiving work was creditable. Best against Aurora.



Second Row—Coach Becker, Arnold, Seamans, Hardy, Beecher, Bolton, Pelton, Stewart, Watson.
First Row—Barr, Ricker, Kelly, Beaudoin, Oldani, Maxwell, Menozzi, Flannigan, Bishop.

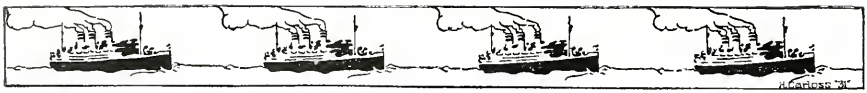
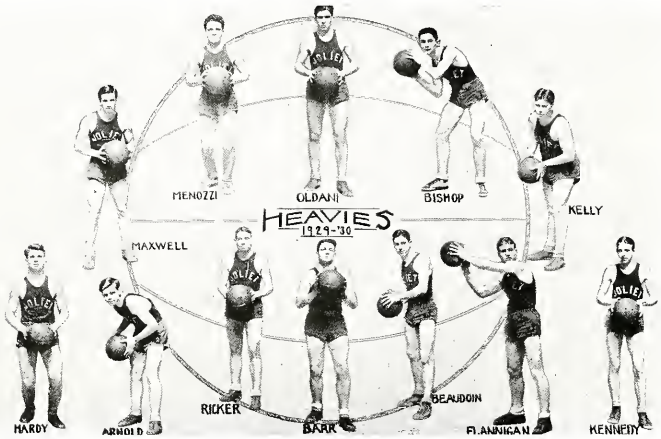
(Continued on Page 96)





MAXWELL—Football injury to knee slowed up his usual fast-breaking game. Best dribbler on team and valuable in getting the ball down the floor. Only Joliet player selected on All-District Tourney team. Best conference games, Rockford, and Freeport.

MENOZZI—Size handicapped him against big guards. Played well in early season games. Good ball handler and aggressive on defense. Played best against East Aurora and in post-season.

OLDANI—Played at forward and center but was a natural guard. Was the backbone of the team when other two veterans were unable to play. His fight saved many games and as captain furnished a good example to his mates. Starred against Rockford, Elgin, and West Aurora. All-conference.

BISHOP—Lightweight star of a year ago. Graduated in mid-semester after leading team in scoring. Excellent long shot who also led in scoring in non-conference games. Last game, against Freeport, his best.

KELLY—Illness of last year's all-tournament back guard together with Maxwell's leg injury probably caused the loss of the conference championship. Good at recovering ball off the backboard. Played well against Harvey.

HARDY—Size an advantage in recovering ball off the backboard. Aggressive defensive player, but lacked speed for floor play. Good work in Elgin and Freeport games.

ARNOLD—Only man returning next year from tournament squad. Used at guard and forward. Showed up well in last game with Freeport.

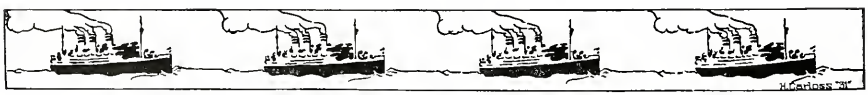
RICKER—Took Bishop's place at forward and fitted in well with his quick shots and strong determination. Took his basketball with the right kind of attitude. Played superior ball against Freeport, holding Brewer, ace of "Big Six" forwards, scoreless until the closing period.

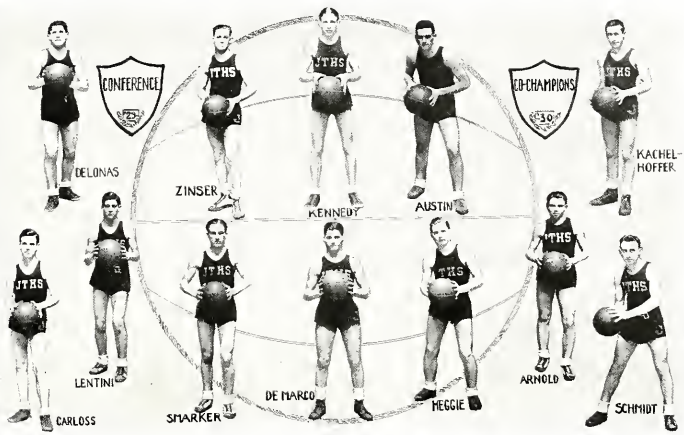
BARR—Worked in Kelly's position at guard and did excellent defensive playing against the Auroras and Elgin. Advanced the ball to a scoring position for his teammates. Good long shot.

BEAUDOIN—Leading scorer of team for season. Death on shots under the basket. Fair jumper, but lacked speed and aggressiveness. Elgin and West Aurora were his best games.

FLANNIGAN—Best free thrower on squad. Starred against Rockord with four baskets. West Aurora also outstanding game. Slow break handicapped his floor play.

KENNEDY—Taken over from the lightweights for tournament play. Good "feeder" under the basket. Excellent shot from around the free-throw line. Worked well with Flannigan.





DELONAS—Best dribbler on team. Good at advancing ball down floor. Fair passer. All-conference team. Third year on team.

ZINSER—Regular forward and excellent defensive man. Good shot and worked well with the team play. Another year of play. Best against Freeport.

KENNEDY—Only lightweight selected by heavyweight mentor for tourney squad. All-conference center First team. Good feeder. Back next year.

AUSTIN—Leading scorer and all-conference forward. Dead-shot from the free throw line. Exceptionally good floor player.

KACHELHOFFER—Took place of injured guard and proved ability as a scoring guard. Best against Rockford and Freeport. Returns.

CARLOSS—A hard working aggressive player. Used at forward as a sub and did good work. Will return.

LENTINI—"The Midget"; exceptionally shifty; expert at evading guards; good shot from any position.

SMARKER—Center position was well taken care of, but this boy showed well when he got a chance at the pivot job. Cool headed player.

DE MARCO—A sub guard who handled the ball well and was good recovering ball off the backboard. Good in East High game.

HEGGIE—Subbed at forward. Footwork was best advantage. Did good work against Freeport. Back for 1930.

ARNOLD—A freshman who won his letter at a forward position. Showed promise for future seasons.

SCHMIDT—A fighting guard and veteran of many seasons. Handicapped by injured knee. Good ball handler and passer.

Second Row—Farr, Lentini, Strappazon, Carloss, Kachelhoffer, Coach Wykoff, Schmidt, Delonas, Demarco, Smarker, Dotter.
First Row—Booker, Keirnan (water boy), Heggie, Zinser, Kennedy, Austin, Arnold, Hunter, Bush.

LIGHTWEIGHT BASKETBALL

Three conference championships in the last four years! Blue and Gold lightweight basketball teams under Coach Wykoff have made a splendid record. In 1927 the title was won with six straight victories; in 1929 and again in 1930, the lights tied for the championship. This latter success was achieved when the team won eight out of ten conference games.

WIN BIG SIX CHAMPIONSHIP

Playing each school twice in the course of the season, Joliet lost only one game each to Elgin and West Aurora. Both of these teams were defeated in the other encounters. Rockford, Freeport, and East Aurora were each beaten twice by the Blue and Gold. The result of the season's play was that Joliet and West Aurora are co-champions, leading Rockford, Elgin, Freeport, and East Aurora in that order.

SUCCESSFUL IN HOLIDAY GAMES

Before the conference season began in earnest the lights played seven games with Chicago and suburban high schools. In these games Joliet beat Hinsdale, Chicago Heights, Lindbloom, Harrison, and Schurz. Roosevelt and Crane came out ahead of our lights; the second team played the entire game against Crane. All of these contests were played during December and helped round the ponies into good form for the hard Big Six schedule that followed. High spots of the season were the air-tight defense in the East Aurora game that held the opposition to one point in the first half; the two hard-fought victories over Rockford. Twelve players were awarded letters for their part in winning the championship.

First Row—Stephen, Oldani, Christiansen, Tabb, Sing, Beltzner, Boysaw, Goodman, Reuttiger, Hardy.
Missing: Forneris, Maxwell, Seamans.

On May 24, 1930, the same day that the band again scored high for Joliet in the National Contest and the Tennis Team tied for the conference title, the Track Team, for the first time since 1920, won the Big Six track and field meet. Joliet scored 52 points to the nearest opponent's 30.

TENNIS --- 1930

The conference championship team has made a good record during the 1930 season. All team matches have resulted in victories for Joliet. Every team in the conference has been defeated, as well as Chicago Heights, York, Lockport, and strong Hyde Park of Chicago. The team is expected to make a good showing in the University of Illinois Interscolastics at Champaign; and another Big Six championship is within reach. A victory this year will make it four straight for the Blue and Gold team.

Coach Kirby's teams have been conference champions since 1925; the title was shared only during the first two of these five years by Joliet, but J.T.H.S. has been the undisputed champion for the last three years. Last year at Aurora, Barr and Austin won the doubles title while Arnold Nelson won the singles. Nelson was lost by graduation, but the doubles team will defend their title on the Joliet courts late in May. Barr and Austin, Ricker, and Hamlin will graduate with the class of 1930, but Coach Kirby will have Carlson and Hoffer, McKeand, Carloss, Jones, Sprague, and others to form a strong team next season.

GIRLS' PHYSICAL EDUCATION DEPARTMENT

Every high school and junior college girl enrolled in the Physical Education Department reports to Dr. Bowles and our school nurse for a thorough physical examination. If she is found to be physically fit she is eligible for all sports and active class work. Our corrective or light gym classes have been organized for those unable to participate in the more strenuous activities, to correct postural defects, spinal curvatures, and foot deformities.

The activity program is so organized that every girl has the opportunity of becoming proficient in her favorite sport. Classes in interpretive and tap dancing are open to all. It is one of the aims of the Girls' Physical Education Department to create the desire for and an interest in athletic activities that will carry over after graduation from school.

The Health and Physical Education Departments combined, sponsor a "Health Week" every year. Proper health habits are emphasized throughout the week, with special attention given to standing and sitting posture, in the school building.

GIRLS' ATHLETIC ASSOCIATION

The fundamental purposes of the Girls' Athletic Association are to promote an interest in girls' athletics and to encourage good sportsmanship. Every member is given a chance to participate in her favorite sport. Inter-class tournaments are held at the end of each session in hockey, basketball, baseball, volleyball, tennis, field and track.

Many of the girls take advantage of the swimming classes held at the YMCA every Thursday, where they receive instruction in swimming and diving for the nominal fee of five dollars yearly. Here they earn G.A.A. points for passing Junior and Senior Red Cross Life Saving tests. At the same time tap dancing and basketball classes in the gymnasium prove very popular.

G.A.A. members are awarded various emblems for earning points in both supervised and unsupervised activities. Local awards given are a gold "J" mounted on a blue background for six hundred points and a gold "J-GAA" on blue for one thousand two hundred points. Emblems symbolic of individual sports are awarded those who make teams. State league emblems are given for greater achievement. A blue "I-GAA" on a triangular white field means one thousand six hundred points have been earned, while a larger blue "I-GAA" on a circular white background is awarded for two thousand points.

GIRLS' ATHLETICS

TENNIS

Of the 67 entries in the inter-class tennis tournament held this year, the winners were: June Bolstad, freshman; Louise Carlson, sophomore; Alice Heath, junior; and Margaret Graham, senior. Alice Heath, '31, was school tennis champion for the year 1929.

HOCKEY

About 75 girls answered the call for hockey in the fall of '29. The Jefferson Street playground was in fine shape and practice was held twice a week for a month. Then the tournament started, but, alas, due to the early snow and rain the inter-class tournament had to be called off.

BASKETBALL

The girls' inter-class basketball tournament was held this year in the Jewish synagogue. The Seniors won first place, the Freshmen second, the Sophomores third, and the Juniors fourth. Teams were composed as follows: Freshmen, J. Carlin, Capt. A. Killeen, R. Adams, J. Bolstad, F. Nadelhoffer, N. Arnold, J. Huey, and D. Voss; Sophomores, L. Carlson, C. Schwartz, L. Marwick, C. Huey, D. Mortvedt, G. Kaspar, A. Levin, and E. Hunt; Juniors, C. Vruels, Capt. D. Haslett, A. Heath, E. McCambridge, V. Anderson, and G. Holman; and Seniors, L. Kemp, B. Wells, M. Vercellotti, E. Scotland, J. Argodale, E. Brintz, G. Kristal, and Capt. B. Groth.

THE ART CLUB

President	Mars Wiggim
Vice President	Mary Tierney
Secretary	Lois Anderson
Treasurer	Janice Clark

Although not very large, the Art Club is a real working club, and is responsible for the many colorful posters that adorn the halls. Also, the club has made the Year Book illustrations for the past four years.

The club membership is composed of students who are interested in further developing their art education. The meetings are held every Wednesday, 7 and 8 periods, when the members work on their projects.

The scholarship fund which has been idle for about a year is now in use again.

Election of officers will be held this semester so that the club can resume its work at the beginning of next semester.

The club is under the leadership of Mrs. Esther Richardson who has given her valuable time helping the students and planning many interesting sketching trips.

Back Row—Yemm, Miss Wright, Perrin, Beltzner, Taylor, Wheeler
Front Row—Wood, Huey, Becker, Broughton.

THE BOOSTER BOARD

The Booster Board, organized by the Student Council in 1928, has as its object the furthering of all student enterprises desiring publicity through assemblies and other advertising mediums involving student cooperation. Due to the graduation of some members last spring and the departure of the rest, the Board was unable to begin active work the first part of the year. It has, however, planned the basketball assemblies, planned and helped the tournament decorations, sponsored the contest for the best idea for a pep meeting for the tournaments and the best poster, and sponsored an assembly for the band before "Opportunity Day."

Members are Warren Yemm, representing the Student Council; Beatrice Becker, the music department; Robert Perrin, the band; August Beltzner, the Blue and Gold Club; Caroline Huey, the Girls' Athletic Association; Barbara Broughton, senior class representative; Helen Louise Wood, of the junior class; Charles Wheeler, sophomore; and Irene Taylor, freshman. Beatrice Becker is chairman of the Board and Charles Wheeler, secretary. All except the graduates will continue to be members until next February, and those in office will hold their offices until that time.

The faculty members are Miss H. A. Wright, chairman; and Mrs. H. V. Givens, sponsors of the Student Council; and Miss Myra Mather, dean of women.

THE DEBATING CLUB

This is the first year the school has had a debating team since 1905. Mr. Walter L. Myers, history instructor, is the sponsor of the group; he organized the teams and taught them the fundamentals of debating. There were two teams, the affirmative and negative. Members of the affirmative team were: Harriett Rossi, Louis Spires, Laura Sprague, and substitute, Mary Leach. The members of the negative team were: Constantine Dimas, Frances Enebo, Fay Kramer, and substitute, William Shannon.

Although the team was not very successful this year, the future looks brighter because several experienced debaters will not graduate this year. We debated Freeport and East Aurora, and our only victory was against the Freeport negative team which debated here in Joliet. However, the three experienced debaters on the Freeport affirmative side said, "You were the hardest team to beat that we ever debated against." That was indeed a compliment for the Joliet negative team.

Debating is a new institution in this high school that makes thinkers think rapidly when on their feet. Anyone of you who would be a Demosthenes, try for the team next year and try to win the Big Six Conference Debating Championship.

THE HIGH SCHOOL FRENCH CLUB

President	Margaret Fargo

In the absence of Margaret Fargo, President, due to graduation, Mary Hamlin, Vice President, became president of the club.

Anyone who is a member of an A-I French class may become a member of the French club. There are no dues, and only regular attendance at meetings is required. The French folk songs of the semester were: "Le Roi d'Yvetot," "La Mere Michel," "Cadet Rouselle," "Frere Jacques," "La Bergere" and "Au Claire de la Lune." The plays given were: "Mardi Gras" and "En Absence des Chats les Souris Dansent." Many interesting programs are given, and membership is a valuable asset to the study of the French language.

THE GERMAN CLUB

President	Linda Markgraf
Vice President	Mildred Hinspeter
Secretary	Lois Baumgartner
Treasurer	Ernest Gray

The German Club is a very active organization which regularly holds its meetings in the German class room 292, on the first and third Tuesday of each month. Anyone who is taking German in high school is eligible for membership if he will come and bring twenty-five cents as dues for one semester.

The regular meetings of the club are devoted to business and to short programs on special topics such as travel in Germany, the leading cities, and the Rhine.

The activities of the club are not few and far between, but numerous and frequent. There is usually a party on every special holiday such as Christmas, Valentine day, and Easter. Picnics average about one a semester depending on weather conditions. They are always given on Sunday so that everyone may be present.

The last Christmas party was held in the lunch room, which was specially decorated for the occasion. The center decoration was a large and beautiful Christmas tree around which the dancing was done. Refreshments of ice cream,

The Girl Reserves of the Joliet Township High School were organized December 1928, so that every girl in school might be a member of a big girls' club. The Girl Reserves is a national organization which stresses high ideals and standards for a girl. Any girl who pays her dues of twenty cents a semester and attends a certain number of meetings is considered an active member.

Each class has its own group with its officers and activities. Group meetings are held once a month. There are also meetings of all the Girl Reserves at various times. Some of these have been made annual affairs. There is a Freshman Welcome party held the second or third week of school in the fall; a Mother and Daughter's Tea held shortly before Christmas; and the greatest event is a Banquet held in the spring. Also the Lit Lights, a hobby group, have worked out a Recognition Ceremonial for the taking in of new freshmen. This is to be held at the beginning of each semester.

Many hobby groups have been organized. The Hiking Club is the only one which does not have a limited membership. Miss Marian McAnally is the sponsor. The other hobby groups are: The Rifle Corps, under the direction of Miss Dorothe Hudzietz and Miss Helen Burrill; Handicraft, sponsored by Miss Pha Ruggles; the Camera Club, supervised by Mr. Robert Price; the Lit Lights with Miss Philena Clarke; the Senior Dramatic Club directed by Miss Lois Hyde; and the Junior Dramatic Club directed by Miss Grace Tippet.

Miss Myra Mather, dean of girls, and Mrs. Stella Henderson, general sponsor, have charge of the whole group. The other faculty sponsors are: Miss Mabel Moon and Miss Harriet Peterson, senior sponsors; Miss Grace Clow, junior sponsor; Miss Roxye Humphreys and Miss Ramona Powell, sophomore sponsors; Miss Glenna Hamill and Miss Lena Dickinson, freshmen sponsors; and Miss Lillie Anderson, a J.J.C. student, is sponsor of the freshmen who entered in January until September, when Miss Moon and Miss Peterson will take them over.

September 1929, the point system went into effect. The girls receive points for such things as attending meetings, paying dues on time, helping freshmen, buying and wearing a Girl Reserve pin, etc. This year because the point system was so new, a girl was given an ensignia (emblem) for 150 points; however, this number will be increased next semester. It has been decided that when a girl has doubled the number of points required for an emblem she will receive a Girl Reserve bracelet; and when she has doubled the number required for a bracelet she will receive a Girl Reserve ring. This year no one secured enough points for a bracelet or ring, but 30 were awarded emblems. The highest number of points anyone secured was 270 by Harriet Switzer, president of the freshman Girl Reserves. Harriet and next year's president of the whole Girl Reserves will be sent to Camp Gray for a week during the summer.

The Hi-Y Club holds meetings every Tuesday evening throughout the school year. At each meeting following a supper, a program was held featuring an outside speaker. The majority of the meetings were held at the Y.M.C.A. The attendance at each meeting during the year averaged about forty members.

The Father and Son Banquet was held at the Y.M.C.A. on November 20. Two hundred and ninety-four men and boys were present at this banquet.

Eighteen members of the Hi-Y attended the Older Boys' Conference at Danville, Illinois, last fall on the Friday, Saturday, and Sunday following Thanksgiving. Another Older Boys' Conference was held at Aurora, Illinois, on March 1 and 2, and was attended by approximately forty-five Joliet delegates.

The "date" banquet was held at the Universalist Church on April 1. The officers of the Hi-Y were awarded the emblems of their office.

The Mother and Son Banquet was held at the Christ Episcopal Church on May 13. There was a very large attendance at the banquet.

Long live the Gilpin English Clubs! Miss Gilpin takes great pride in these clubs as do all who belong to them. The clubs are Miss Gilpin's method of teaching citizenship and character-building.

The aims of the Gilpin English Clubs are: to have self control, develop citizenship and courtesy, and also bring about social civic service through thrift. Everyone knows there is no better place in which to develop these things than in the school. Through thrift the Gilpin English Clubs have contributed for many practical causes. The money for these causes is raised by sales or tag days and it sometimes is contributed by the pupils through small club dues.

Frequently one day is given to the club for meetings. The club business is discussed, and programs are given. The programs consist of current events, reports, biographies, poems, and debates.

The emblem of the Gilpin club is a gold keystone with a black background bearing the letters G. E. C. (Gilpin English Club) in gold. A little chain extends from the triangle to which is fastened an old-fashioned lamp.

Miss Gilpin has her room furnished very attractively with three bookcases, full of books which the clubs have helped her purchase. The room also has a very pretty imitation fireplace, with a mirror above it. All around the room are various pictures of things which are copies of some of the world's masterpieces. Altogether the clubs, rooms, and director are most beloved by all those associated with them.

NATIONAL HONOR SOCIETY

The purpose of a branch of the National Honor Society in our school is, as stated in the by-laws: "To create enthusiasm for scholarship, stimulate the desire to render service, to promote leadership, and to develop character in the students."

Those chosen this year, whom the committee considered to possess the four qualities of scholarship, leadership, character, and service, were: Dorothy Mueller, Raymond Eicholzer, Ina Ahti, Mary Vercellotti, Edwin Henderson, Myrtle Lawson, Edith Rauworth, Hubert Zalar, Fay Kramer, Esther Levin, William Oldani, Harold Anderson, Eva Ahti, Bernice Wells, Beulah Green, Winifred Kerr, Mary Will Cavitt, and Virginia Freeman chosen the first half of the year, and Rose Balgeman, Thelma McGladdery, Marion Brereton, Alberta Hardy, Mars Wiggim, Dorothy Burgess, Lois Delander, Robert Ball, Georgia Linter, Margaret Ripingill, Ruth Sampson, LaVerne Schmidt, Harriett Rossi, Lloyd Austin, Helen Mary Brown, Mildred Hinspeter, Laura Sprague, Marie Olson, Myrtle Harder, Edward Rozich, Edward Dittmeyer, Sidney Herzog, John E. THE LIBRARY CLUB

Girls who are interested in library work have formed the library club under the leadership of Miss Stevens, the high school librarian. Juniors and seniors are eligible to this organization.

The purpose of this club is to give the girls an opportunity to study the use of the library and to learn the daily routine. They also learn to mend books. Each member of the club works at least a period a day in the library.

The club meets twice a month after school in the library. Some of the members have chosen library work for their vocation; other members that belong have joined just to familiarize themselves with the work of the library.

The club is composed of ten girls. There can be only a limited number because the library is not large enough for too many students. The club has not had a president this year; it is conducted on the order of a class. The only officer this year was Jane Argodale, the secretary-treasurer.

LUNCH ROOM CLUB

Chairman — Alex Stewart
Faculty Adviser — Miss Helen Humphrey

The Lunch Room Club is composed of students who serve the student body during the noon hour in the high school cafeteria. They are selected for their alertness, accuracy, and capability.

The members work the 7-8-9-10 periods or from 11:06 until 1:00 with the exception of time given them for their own lunch, which is their only pay for services rendered.

The lunch room is run on a non-profit basis, serving from 800 to 1200 students daily, counting those who bring their own lunches, and buy a bottle of milk or some other dish.

The lunch room is operated under the supervision of Miss Helen Humphrey of the Home Economics department.

THE HI-Y CLUB (Continued from Page 113)

A number of interesting speakers who have addressed the club during the year are Mr. W. W. Haggard, Mr. R. R. Robinson, Mr. A. Fairfield, Senator R. J. Barr, Mr. L. A. Touzalin, Mr. R. N. Fargo, Mr. C. K. Turman, Mr. C. G. Thomson, and Rev. W. H. Macpherson.

JOLIET MODEL AERO CLUB

President	Julius Dyblie
Vice President	Marcus Bluth
Secretary-Treasurer	Francis Moriarty

The purpose of the club is to promote aviation. It was organized March 12, 1929, and has been in active operation since. Various types of models are built and experimented with. Meets and contests are held about once a month, and keen competition is developed to see who can keep his tiny ship aloft the longest.

Once a year the club has an annual banquet where great quantities of frankfurters are consumed. Indoor meets are held in the high school gym. Outdoor meets are held either at the Joliet Airport or at Highland Park. Honorary degrees are conferred upon those who do the most outstanding work.

The principles of aviation are learned by studying a model before and in flight. The club is a big chance for those who are interested in aviation to get a practical and interesting knowledge of the principles of flight. Mr. Stone of the high school is the advisor of the club. Mr. Grosstuck is an honorary member.

Sponsor	Miss Lena Dickinson

Attention! The members of the Public Speaking Club wish to tell you about the activities of the club this year.

During the last year the club presented assemblies to increase the interest of the students in both football and basketball. They also sold Eskimo pies at one of the tournament games. Clean-up speeches in the home rooms were presented by members of the Club.

The extemporaneous speech contest proved that it pays to take public speaking, because the two winners, Marion Owen and Constantine Dimas were members of the club.

Although our social times were few, we were kept busy and happy; and so our club bids adieu to a joyful and successful year.

The R. I. R. Club is composed of advanced shorthand and typewriting students, the A-IV Class.

The primary object of this club is to promote a feeling of friendship and to make better business women through mental, social and physical activities; to instill in each member a confidence in self, to promote an interest in their jobs in school and out, to better their condition of living for the benefit of themselves and the community in which they live.

Meetings are held usually on Friday, with a business meeting following roll call.

The financial plan of the club is taken care of by Dorothy Peterson, treasurer, who collects dues monthly. The sum made during the year is to be used for a party at the end of the school term.

cake, cookies, and candy were served; and everyone received a small gift from the Weihmachtsmann.

Lately the club gave a surprise party in honor of their sponsor, Miss Beulah Agnew's, birthday. The party was held in room 251 at four o'clock on Tuesday, April 30. Approximately 50 people were present, all of whom were served ice cream and home made cake. As a birthday present the club members presented their teacher with a traveling case, which she intends to use during her travels this summer.

THE GIRL RESERVES RIFLE CLUB

President — Elizabeth Robertson

Secretary and Treasurer — Winifred Kerr

A group of girls in coveralls meet every Thursday and Friday night after school on the high school rifle range. There are sixteen girls in all, and because so many cannot shoot on one night, they are divided into two groups of eight each --- one of which meets on Thursday and the other on Friday. This organization is a hobby group of the Girl Reserves Club which was formed here.

The R.O.T.C. kindly furnishes guns and two capable instructors. They are Major Auburn Smith and Major Robert Arthurs. The girls have progressed very rapidly under their leadership. They take three positions: sitting, prone, and standing. Seven of the members belong to the National Rifle Association. A six weeks' contest between the two groups with the losing team giving a picnic for the other motivates their practice.

The members of the club are: Stella Pearson, Elfrieda Boehnert, Louise Schmekel, Lois Baumgartner, Gertrude Schiek, Iram Agazzi, Elizabeth McCambridge, Marion Kohl, Ruth Souvenier, Virginia Dille, Gladys McAllister, Helen Mary Brown, Guydell Schwartz and Helen Johansen. The sponsors are Miss Dorothe Hudzietz and Miss Helen Burrill.

THE STUDENT COUNCIL

Chairman	Laura Sprague
Secretary	Robert Heggie
Sponsors	Miss H. A. Wright and Mr. H. V. Givens

Bringing about a closer understanding between faculty and students and striving for the betterment of the school are the chief aims of the Student Council.

This is a body of students composed of one representative from each small home room and two from the larger rooms selected by the students. They meet weekly with Miss Helen Anne Wright and Mr. H. V. Givens, the sponsors.

The greatest activity of the council this year was planning for the J.T.H.S. "Combination Ticket," which will become a reality in the fall.

Among other important things undertaken by the council was the supervision of social activities of the school, including social hours.

As in former years they had charge of the selling of Christmas seals and the distribution of the Christmas baskets to the poor.

SOCIAL SCIENCE CLUB

President	Joe Sonntag
Vice President	Beulah Green
Secretary-Treasurer	Mary Meinecke
Sponsors	Miss Dew Dailey, Miss Elizabeth Barns, Mrs. Stella Henderson, Miss Mabel Moon

The Social Science Club is composed of students who are interested in the study of social problems outside the classroom.

The only rule of eligibility required in order to become a member is that a person shall either be in the American history or social economics classes or shall have taken the subject previously.

Marshall B. Wheeler, Publicity Director of the Sanitary District of Chicago, was the speaker at the first meeting. His topic was "Sociological Aspects of Journalism." At the next meeting Mrs. C. N. Wilkey, Executive Secretary of the Will County chapter of the Red Cross, spoke on "What the Will County Chapter of the Red Cross has done and is doing." Dr. Martin, the psychiatrist at the prison, addressed us at one of our meetings on the subject of "The New Attitude Toward Crime." A group of students had charge of one meeting, speaking on the "Kellogg Peace Pact." Senator Richard Barr was the speaker at the February meeting. His subject was "The Waterway and what it means to Joliet." We were addressed at a later meeting by Judge Austin, county judge, who has been active in promoting the fight against juvenile delinquency. His taalk was on "Juvenile Delinquency in Joliet."

The meetings of the club were held on the second Wednesday of the month, usually at one of the churches of the city. The members enjoyed dinner together, and the remaining time was given to the speaker.

We hope that the Social Science Club will be a lasting thing because it stimulated interest and co-operation with other organizations in the community that are interested in social improvement.

Advisory Committee	LaVerne Richards, Allen Sahler, Wilbur Bradley, Forrest McAllister, Thomas Davidson and Donald Keyes
Secretary and Accompanist	Mary Mitchell
Soloist Accompanists	Josephine Mattei, Rosella Mattei and Lorine Lilya

After winning the national contest three times in succession, the band settled down to work in order to take another national contest which was held at Flint, Michigan, May 22, 23 and 24, 1930.

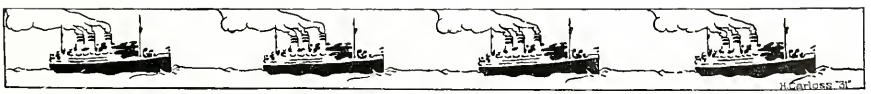
The band's annual classic concert was presented the night of March 28, 1930. They played "Phaeton" and "Egmont" which were the required numbers for the national contest.

The student body of our high school conducted a button day campaign May 2 and 3 in order to raise a $3,000 quota for the Flint trip. This gala day was called "Opportunity Day," and every person in Joliet was given a chance to help the band by purchasing these buttons at twenty-five cents and up.

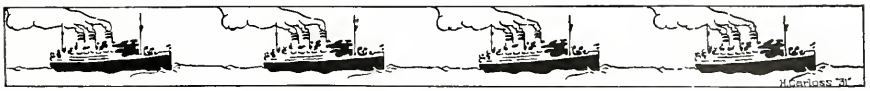
The soloists captured 12 first places, 4 seconds, and 2 third places at Naperville and competed at Urbana on April 22 for state honors. At the state contest they won 6 firsts, 2 seconds, and 2 thirds. The six first place winners were: Harold Leonhart, bass; Donald Griffin, alto clarinet; Joseph Yaggy, cornet; Norman McLean, flute; Clayton Schorie, tenor saxaphone; Wilbur Bradley, bass clarinet. The second place winners were: Allen Sahler, alto saxaphone, and Robert Clemens, E flat clarinet.

The saxaphone ensemble composed of Allen Sahler, LaVerne Richards, Avon Smith, Oliver Serine, Clayton Shorie, and Donald Keyes, won first prize. The brass ensemble which was composed of Joseph Mattei, George Reed, Paul Ross, Milo Heap, David Nippa, and Stewart Rollinson, won the second place for this division.

Joliet had eight soloists and two ensembles in the national contest.



STATE CHAMPIONSHIP ORCHESTRA



THE ORCHESTRA

The J.T.H.S. Orchestra is no longer an ordinary organization, but is an 84-piece championship symphony orchestra, which won the district and the state championship this year under the direction of Mr. Hiram A. Converse.

The members journeyed to DeKalb on March 13, where they took part in the district contest and defeated the strong orchestras from DeKalb, Freeport, Elgin, and many other smaller schools.

March 22 the Orchestra went to Urbana, Illinois, to compete for the state championship against Springfield, the state champion; Urbana, and Champaign high school orchestras, each of whom was the champion of its respective district.

Our Orchestra again emerged victorious and had wrested the state championship from Springfield, the last year's winner.

For winning the state championship our Orchestra received the handsome trophy which is awarded for permanent possession providing you win the state championship three times in succession. Our Orchestra now has one leg on this beautiful trophy, and it is going to win the championship for the next two years and retain the trophy permanently.

The members of the Orchestra also received a large plaque for winning the state championship and a smaller one for winning the district contest. These were awarded for permanent possession.

The members of the Orchestra were awarded silver medals for winning the state championship, and Mr. Converse was awarded a gold one.

The J.T.H.S. Orchestra soloists were also very successful in winning five first places, three seconds, and two thirds. Margaret Wiswell won first place in the cello solo contest, John Rix first place in the piano contest, Aubrey Chellini won first place in the horn contest, Joseph Mattei first place in the cornet contest, and Philip Sidell won first place in the flute solo contest.

Second place winners were: Dorothy Kaiser, bassoon; Willis Kemp, Robert Cooper, flute; third place winners were Howard Sprague, cornet; and Warren Yemm, trombone.

February 22 the Orchestra presented the season's first concert, which is an annual, and was given to raise funds to enable the Orchestra to go to the district and state contests. Over 1200 people attended this concert, at which was played "Finlandia," which was the required number for the state contest, and its selective number, which was Schubert's "Unfinished Symphony," was also presented.

Besides playing for all school functions the Orchestra also played for many clubs and conventions and is a great asset to the City of Joliet. During the past year it entertained the Rotary and Kiwanis clubs, Moose and Masonic lodges, and many less important gatherings. The Orchestra also played for the State Medical and State Grocerymen's conventions.

In order to show their great appreciation for the remarkable work that Mr. Converse has done during the past year the members of the Orchestra presented him with a gold plated violin case.

As you all know, Mr. Converse started directing the high school orchestra with only 10 to 12 pieces and has built up this great organization of 84 pieces from this humble start.

OPERA MARTHA --- GRAND FINALE

MUSIC DEPARTMENT

The Grand Opera, "Martha," by Von Flotow, headed the list of performances by the music department. All of the choral organizations, including the Junior Chorus, Senior Chorus, Treble Choir, A Cappella Choir, Girls' Chorus, and the Orchestra, helped to make it the success it was. A record attendance saw the enactment.

THE CAST

Lady Harriet	Elizabeth Wilson
Nancy	Doris Rohrbach
Lionel	Marvin Meiers
Plunkett	Almond Fairfield
Sir Tristram	Owen McBride
Sheriff	C. O. Burden

Stage settings and properties were contributed by the various shops. The production was directed by Mr. E. B. Brockett, while Miss Isabelle Boyd did the vocal coaching.

During the earlier part of the semester an Octette, composed of Eileen Hansen, Betty McKirgen, Irene Taylor, LaVerne Taylor, Marvin Meiers, Walter Schluntz, Arthur Eneix and Howard Kern, went as delegates to the All State Chorus at the University of Illinois.

The Senior Chorus sang before several local organizations during the year. The Junior Chorus gave their annual program before the assembly.

Music for Baccalaureate Sunday was furnished by the A Cappella Choir and the Senior Chorus. The Junior Chorus presented the vocal numbers on graduation night and an Octette composed of all seniors sang on Class Day.

THE ORCHESTRA (Continued from Page 133)

This is the second state championship orchestra that Mr. Converse has directed, the other winner being his 1927 orchestra. Also Mr. Converse and his orchestra have never been defeated in any contest they have entered.

During the past year the orchestra has had two big parties and closed the most successful year since its organization in 1912 by playing at the commencement exercises.

COLLEGE CLUB

The College Club this year has had a very successful calendar of educational as well as entertaining events. Each month a very interesting as well as a different type of meeting was presented by a student and a faculty sponsor. Likewise the social committees once a month offered to the club delightful entertainment.

The October meeting was sponsored by Mr. Atkinson and Robert Stock. The former gave a talk on his trip in the British Isles and showed many pictures of his journey, all taken by himself. The remainder of the meeting was spent in singing college songs with Mr. Turman presiding at the piano.

November brought the club one of its outside speakers, Mr. Nelson of the University of Chicago. He spoke about "Our Modern Poets and Their Writings," reading some of the works of these poets. Kathryn Heath with Miss McAnally, faculty sponsor, presented this program.

In December Mr. Turman, the faculty sponsor, with Middleton Slack brought the Economics class before the club in a humorous four act farce, "What Price Beef Steak?"

In January the club was favored with another outside speaker, Mr. Chang from the University of Chicago spoke on "Sun Yat Sen Democracy." Mr. Chang's secretary, who accompanied him to Joliet, told the club of the ancient and the modern mode of dress in China. Alfred Long with Mr. Douglas, faculty sponsor, were in charge of this meeting.

THE STUDENT COUNCIL

President	Richard Spangler
Vice President	Helen Rice
Secretary	Frances Green
Faculty Advisor	Mr. Turman

The students of the Joliet Junior College, in order to promote a better understanding between the faculty and the student body, and to advance student enterprises, have established the organization known as the Student Council.

The council is composed of one representative of the College Club, the Woman's Athletic Association, the first year French Club, the second year French Club, the editor of the college paper, the two class presidents and two members-at-large, elected by popular vote of the student body.

The council began to function early in the school year with a meeting on September 25th, 1929, at which the officers were elected. Under the new student activity-fee plan, which relieved the usual lack of funds for more extensive student activities, the council in accordance with its power to dispense the fees, has sponsored several projects.

The council, with the aid of the Social Dean, Miss Mather, supervised the arrangement of the social calendar for the school year. It also sponsored one of the monthly informal social events. Because of the demand for a school seal and also a banner sticker, the council determined the design and directed the production of both.

Several miscellaneous grievances of the student body, were, through the council, brought to the attention of the school executives.

The council has endeavored throughout the school year to fulfill its purpose and has striven to better conditions of the student life and activities of the Joliet Junior College --- "Carpe Diem!"

ADAM AND EVA

The bright and amusing play of "Adam and Eva" was presented by the Junior College, in the high school auditorium, November 11, 1929.

The play centers around a very rich business man and his family who cares for nothing except spending money and having a good time. The father leaves his family in the hands of his business manager when he goes to the Amazon. Under his hands the family is suddenly plunged into poverty. The play ends very happily with the money restored and Adam having secured the love of Eva, the youngest daughter.

The parts taken in the play were the following:

James King, whose part was taken by Rae Shannon, and the part was portrayed so well that one immediately thought he was in the presence of a powerful and arrogant ruler of Wall Street.

Corinthia, the little maid, portrayed by Lillie Anderson, won everyone's heart when she stuck to the family in their hard luck, and especially when she helped Adam in his love affair, when she secretly was in love with him herself.

The parts of **Clinton** and **Julie De Witt,** daughter and son-in-law of James King, which were taken by Allan Sproat and Carrie Spencer, were so well taken that one thought that at last they had met the "elite" of society.

Eva King, the youngest daughter of James King, was the part taken by Mary Watt, and was the little heroine of the play and showed that society folks who seem to have hearts of stone, in reality are as human as any.

Aunt Abby Rocker, the dear old fashioned lady who finally marries her rich old gouty companion, could never have been portrayed to such a perfection by anyone but Delores Kelly.

The part of **Dr. Jack Delameter,** a wooer of Eva's hand and a **Very** fashionable Doctor, was portrayed to the utmost by Herbert Kellogg.

DEBATING TEAM

This year J.J.C. renewed its interest in debating. Superintendent Haggard appointed Mr. Myers debating coach, and Mr. Yaggy called a meeting for all people interested in debating early in the fall. Actual work was begun after the holidays when the teams met two and three times a week. After a series of try-outs, the following teams were selected:

	Affirmative	Negative
1st Speaker	Merland Reed	Dominic Raino
2nd Speaker	Herbert Trackman	John Robertson
3rd Speaker	Lillie Anderson	Ralph Morgan
Alternate	Harry Hull	

Several practice debates were held with the high school team. A triangular meet was arranged with Lyons-La Grange Junior College, and Thornton Junior College, Harvey.

In the debates the speakers were rated 1,2,3,4,5, or 6, and the team with the lowest total won. La Grange won the meet, as the Thornton affirmative lost to La Grange, and our negative team also. Our affirmative team won from Thornton giving us second place.

Prospects for next year are good. Nearly all of the team will return to J.J.C., and in addition several star debaters from the high school will make competition for places on the team more keen.

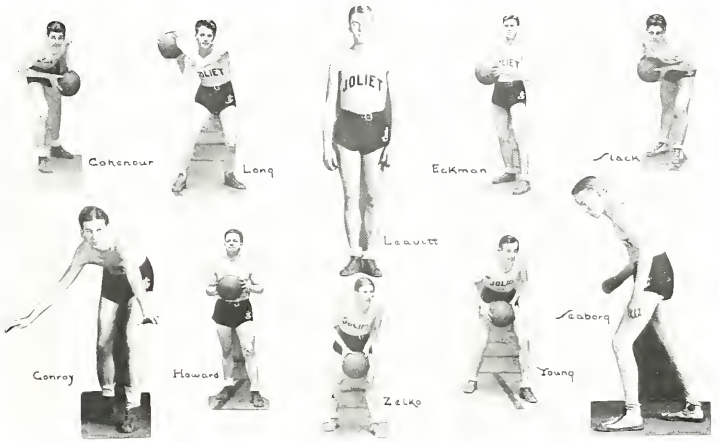
Second Row—R. Babcock, Monge, Mueller, Condon, Graham, Macy, Ryan, Wheeler, Brown, Ball, Spencer.
First Row—Ege, Schultz, Sandretto, Sanford, Gilbert, Greenshields, Bolton, Frobish, Barbour, Spangler, Blackwood, Madame Babcock, Fuqua, Rice, Henderson.

FEYTEL X

The French Club has just come through this year again winner of its yearly relay race. This year we were very fortunate in having some very capable runners. Our first runner carried for his torch a group of French Songs, which the club sang at their meetings. The next runner's torch was a one-act play Marraine de Guerre. At the end of this course the members could speak fluently in French, and they had learned many useful phrases. One of our important runners of the race was an afternoon tea held at the Chamber of Commerce. At the close of this race we had learned the common speeches of etiquette and learned to converse freely in French, as everyone was required to speak nothing but French.

Mr. Feytel, our feature runner, sent us French literature including magazines and papers. Several letters that he wrote to us were very interesting and were appreciated.

Yes! We are proud of our club, and we will not soon forget our skilled runners who won the race for us.



COLLEGE BASKETBALL

More interest was manifest in the Junior College athletic program this year than ever before. This can be attributed to several reasons, with the following being the outstanding: Splendid cooperation on the part of the persons in charge of the college, the faculty and the athletic department; the student activities fee; and the successes of the teams under Coach Wills last year. Third place in basketball and second place in the conference in baseball, with an outstanding competitor like Crane College is not a record for the Collegians to be ashamed of.

Twenty-five men reported to Coach Wills at the beginning of the practice season and most of them were used before a team was formed to open the conference season. The following players actually competed for the college during the playing season: Capt. Slack, Eckman, Zelko, Leavitt, Long, Conroy, Cohenour, Howard, G. Henderson, Mores, Bush, Seaborg, Ryan, Young, Brown, Serena, Tracy, F. Henderson.

HIGH LIGHTS OF THE COLLEGE BASKETBALL SEASON

Won 15; lost 5.

The Crane games, even though they were losses, Crane admitted they were the toughest games they had played in three years.

Third place in the conference for the second year in succession. Where did we used to finish?

Second Row—Brown, Cohenour, Hughes, Bush, Henry, Grutka, Coach Wills.
First Row—E. Mores, Nolan, Leavitt, Serena, Slattery, Sing, Zelko, Howard.

COLLEGE BASEBALL

About thirty candidates answered the call of Coach Wills at the beginning of spring training; but many of the more promising players were declared ineligible before conference play started. Five of last year's near champions reported; but only one held his old position. Zelko, at short, retained his place in the infield because he has the best arm on the squad and is a real fighter. Slattery, a third baseman last year, is about the scrappiest catcher in the conference. His arm is death to the enemy base runners. Nolan and Grutka were moved in from the outfield and held down second and first respectively. These four veterans are doing a lot to help Joliet in a real bid for a championship. In addition to these second year men Ned Young returned to school and is proving a life saver; for he has been taking Liess' place on the mound in great shape. Mores, a sub last year, is one of our dependable outfielders. A dozen or more freshmen have been out and are helping a lot. Chief of these are Howard, third base; Leavitt, center; Serena, left; Brown, left; Cohenour, and Henry, first; Hughes, pitcher; Bush, Sing and Makalowski are candidates for the outfield.

To date four conference games have been played resulting in three victories and one defeat, this at the hands of Lisle by a close score 6-4. In this game three hits and two errors in the third round gave Lisle five runs and the game. Young allowed but four hits and the team fielded faultlessly except in the third.

COLLEGE TENNIS

The tennis team this year was composed mostly of freshmen; for only one letter man from last year's team reported to Coach Kirby. There are three singles and two doubles combinations on the squad. They are Capt. Carter, Van Zandt, Powell, Howk, Van Horn, Sprague, Stange, and Henderson. Van Zandt and Henderson won singles matches from Normal, April 26. Van Zandt, Powell won singles from Lyons; and the doubles team of Howk and Van Horn made the score 3 to 2, for the others lost to the Lyons players. Crane defeated all our players in straight sets May 7. North Park won 4-1, May 9. Other matches were:

COLLEGE BASEBALL (Continued)

The first game of the season was won by a forfeit score when Concordia refused to play after coming down here. The resulting score was Joliet 9, Concordia 0. Added to this one-sided victory are the North Park and Chicago Normal games. The first was won here 13-3, in a sea of mud. Young held the Parkers to four hits; and our sluggers pounded out an easy victory. The next week at Normal our murderers' row extended through the entire line-up, and 23 hits produced 25 runs. Young was not so steady; for Normal got to him for two home runs in the first inning and scored 7 runs. Final score: Joliet 25-Normal 7. Slattery featured with two homers and a triple. His round trip hits came in the big sixth inning when Joliet scored 18 times. Nolan also got a homer and Zelko hit four singles.

Left to Right—Long, Leavitt, Conroy, Camp, Young.

COLLEGE GOLF

This year again J.J.C. advanced another step in her great year of progress. This time it was her golf team. Responding to the call for golfers came Tom Camp, Ned Young, Tom Conroy, H. Leavitt, and Ed. Long. They practiced daily in preparation for the first meet with Crane April 26, on Saturday; but their efforts were in vain for the foursome out of Crane failed to show. The next Friday, May 2, our representatives of the greens and fairways journeyed to North Park whence they came back with a win and a smile. The score was 7-5, Conroy earning 3 points, Camp 1 point, Leavitt 2, and Long 1. The remaining opponents on this schedule will be played the following weeks in succession --- Lyle --- Morton --- and the conference tourney.

Schedule

April 26 J.J.C. --- won by forfeit, Crane 0.
May 2 J.J.C. 7 --- North Park 5.
May 16 J.J.C. $1\frac{1}{2}$ --- Lyle $10\frac{1}{2}$.
May 23 J.J.C. $7\frac{1}{2}$ --- Morton $4\frac{1}{2}$.

COLLEGE BASKETBALL (Continued from Page 157)

Leavitt made the all-conference team at a forward position. His running mate was Herbie Lutz, Crane.

Capt. Slack and Eckman were the best pair of guards in the conference. They made the second all-conference team.

Proof of the first part of the statement above: Crane's forwards made but seven baskets in two games. One conference team made but seven points. Another conference team made but one field goal. Four non-conference teams made less than fifteen points.

New competition this year was from Michigan and Indiana. We play the same teams next year in a home and home arrangement.

Zelko was the smallest player in conference play and was a "Dead Eye Dick" from the free throw line.

Long led the team in scoring with close to 150 points. He played as a sub most of the season.

Conroy was a life saver in that farce at Thornton. With the score tied he replaced Leavitt and made our last three points. Score, Joliet 21; Thornton 20.

Two year record since Coach Wills came: Joliet 26 wins and 10 losses. Four of the ten were to Crane.

No team has defeated Joliet more than once in two years except Crane.

Cohenour was a find. He played excellent ball the first part of the campaign but slowed down somewhat toward the end of the season due to infected feet.

Billy Howard scored four baskets at Lyons. Some of his aggressiveness should be injected into a few of the boys, then Billy would have plenty left.

Young's two shots at Concordia, Fort Wayne, were real "hot shots." He made another record of some kind in the Crane game --- four personals in one minute.

Only one game lost on the home floor, and that one to Crane --- 25-23.

But three games were lost in the last two years on the home floor --- two to Crane and one to LaSalle-Peru.

Thrills --- thrills, etc. Muskegon game. Two overtimes. Joliet 37; Muskegon 33. End of regulation game 26-26. End of first overtime 30 all. Enter Glenn Tracy. Three shots --- three baskets. Final score 37-33.

Long scored fifteen points or over in each of five games.

W. A. A.

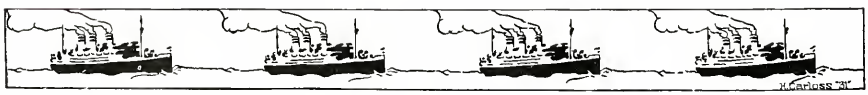
President	Frances Green
Vice President	Eleanor Carlson
Secretary-Treasurer	Kathryn Heath

This year by means of the new activity fee, every girl enrolled in college automatically became a member of the W.A.A. Twenty-five girls were active and showed an interest in working for emblems. Points are won by activity on organized teams, proficiency in gym classes, athletic leadership and by participation in unsupervised sports such as hiking or horseback riding. The small J.C. is awarded to girls winning 450 points according to the W.A.A. point system, and the large emblem is awarded to girls having 600 points.

Our basketball team deserves special recognition. For the first time in school history the Junior College defeated the High School all stars! During the whole season they lost but one game, and that in an overtime period. But basketball isn't everything. We also had hockey, baseball, track, and tennis, and even organized a horse-back riding club.

In the fall the W.A.A. sponsored a girls' choice dance in the lunchroom. We had a good crowd and everybody had a good time. Later, at the end of the year, we held another social function --- this time just for girls. The emblems were awarded, we played bridge or five-hundred, drank tea and bade farewell to the W.A.A.

May next year's group show as much interest in athletics and have as many good times!



HENDERSON—Betty was a guard on both the first and second year major basketball teams. Her ability as a dancer was proven in her active membership in the Terpsichorean club. She has won with 600 points a major J. C. emblem.

BABCOCK—Ruth turned out to be a "find" for a subcentre, and had the ability to play any position in our basketball team with equal agility. She is also a fine tennis player.

MAHONEY—"Barb" was J. C.'s star "basketeer". She scored during the crucial moments of a game because she was a steady player with a "dead eye" for the basket. She was college tennis champion 1929 and also earned a major J. C. emblem.

MORRISEY—Annamae has won her points in baseball, tap dancing and horseback riding. She has determination to win and team loyalty.

HEATH—Kathryn excels as a leader. She conducts classes in gym, dancing and clogging as well as a full fledged teacher, and has proven indispensable as an officer of W.A.A. She has earned a major J. C. emblem, as an all 'round good sport.

BROWN—Peg was one of J. C.'s reliables on the basketball team as guard. She has the stamina to play to the last minute forcefully. She is quite a goller, and an excellent swimmer.

GREEN—"Franny," during freshman and sophomore years at J. C. was president of the W.A.A. She captained the basketball team during her freshman year. She has won her major letter.

STEWART—Edna Mae, besides being a member of the J. C. basketball team, is a fine horseback rider. She has proven herself a good sport in competition.

RICE—Helen, one of the leaders scholastically, is equally a leader in sportsmanship. She does everything well, and commands the respect of her fellow players. Tennis and basketball are her specialties.

ALLGAIER—Mary Elizabeth is an excellent all 'round sport, and she has shown some fine playing on our championship basketball team, having played two years as a guard.

SANDRETTO—Mary is a member of the J. C. baseball team on which she plays shortstop. She is a fine tap-dancer, too.

SPENCER—Carrie participates in spring sports, starring principally in baseball. She is both faithful and dependable on a team.

PITTS—May proved to be a dependable sub in basketball, and participated during the games in fine manner. She is a fine horseback rider.

THE BLAZER (Continued from Page 156)

Without a doubt the students have done more this year to promote activities in the Junior College than ever before. Perhaps the greatest stride taken in this respect was the organization of a college newspaper. Early in the school year a small group of students who were anxious to have the paper become a reality took the steps necessary for its organization, and in a short time a bi-monthly news sheet called "The Blazer" became one of the important factors in Junior College life. The subscription fee was included in the regular activity fee, and so in this manner every college student received the paper. During the first semester the staff was ably directed by Bob Balch, and the initial issues, though amateur, were very successful, and the students began to anticipate the publication of every issue with pleasure.

The second semester brought a re-organization of the staff, and many new workers were added. The student council decided to allow the editor of the paper to become one of its members. Although "The Blazer" has been conducted on a very small scale this year, we ask you to bear in mind the fact that it is still in its infancy and still has many faults that are left for the succeeding staffs to correct. We believe that the students really want the paper to continue, and it is our hope that they will all take a live interest in it in the future.

COLLEGE CLUB (Continued from Page 149)

February had Mr. Mayo as faculty sponsor, and the program consisted entirely of musical talent from the student body of the Junior College. Dick Jones was Master of Ceremonies.

In March Mr. Trams as faculty sponsor presented his friend Mr. Brewer from Iowa, who spoke of "Book Collecting," his hobby. He brought a few of his many interesting collections for his listeners to examine. Mary Watt was the student sponsor.

During April, with Miss Dickinson as sponsor, three one-act plays were given: a French, a German, and an English. A part of the High School Orchestra favored the club with musical selections between each play. George Switzer was the student sponsor with Miss Dickinson.

In May the Club had Mr. Menderhall of Peacock's, give an interesting story of bone china. Miss Barns, the faculty sponsor, and Carrie Spencer were in charge.

The social meetings each month have given much sport and entertainment to the members. Among the parties and dances given there was a Masquerade. Girls' Choice, Bowery, and a Spring Sport dance. In November there was the Fall formal held at the Elks' Club. The Spring formal was held in May. All the dances were greatly enjoyed and were well attended.

All agree that the successful year was due to the fine cooperation of the faculty which served each semester.

Here are best wishes, next year's members, that you have as excellent a year as we have witnessed.

"What's the News"

WHEN COLUMBUS and his caravels returned from the New World, the first question shouted from the shore was, "What's the news?"

That's always the question of paramount importance. Years ago folks asked it of the post rider, the soldier returned from the wars, the man who had been down to the settlements, or the neighbor back from the general store.

Today, you find the answer in your Herald-News. Through your newspaper the news of the world and of the community quickly becomes public knowledge. And remember this—it takes two kinds of news to make a modern paper complete.

The first tells of happenings near and far—of fires, sports, elections, accidents, marriages, deaths, great men, great events.

The second tells of things you eat, wear and use—things you buy, things being sold to your friends and neighbors. This news is advertising.

It's just as important to keep up to date on the advertising in your Herald-News as it is to read about what's doing in the world of events.

Advertising is an essential news service.

ADAM AND EVA (Continued from Page 152)

Horace Pilgrim, the crabby old uncle, with a squeaky high voice, who always meddled in everyone's business but his own, and who finally, when necessity arrived, turned into a business man, was a character part excellently taken by Gordon Berg.

Adam Smith, a young man, the business manager of James King, was a young man who wanted a "family," soon had his hands filled with one, and in the meanwhile fell madly in love with the youngest daughter, Eva, and was the hero of the play. No one else could have filled this part to such a nicety as Bill Mesenkop did.

Lord Andrew Gordon, another wooer of Eva, shows his true stuff when the family is plunged into poverty. To listen to Stewart Hutchinson's portrayal of this part, one would think a real honest-to-goodness Englishman was speaking.

COLLEGE BASKETBALL (Continued from Page 161)

Average score for the season, Joliet 31; Opponents 19.

Biggest come back --- North Park 17, Joliet 3. Then before the half was over Joliet 19, North Park 19.

The sun, dust, and Stew proved quite a combination to beat at Lisle. End of first ten minutes, Lisle 15; Joliet 5. End of half Joliet 22; Lisle 15.

Stew Hutchinson was voted the staunchest supporter of this year's team. He saw every game away from home --- even the Indiana games.

Slack decorated the old score book four times for an all time record (for Mid) in the Normal game here. Three shots and three baskets is good enough for anyone, eh, Mid?

THE LOCKS

'Tis not enough to run well unless you set out in time

—French Proverb

The delayed spurt is often too late!

The hare was too confident, and so the slow, persistent tortoise won the race.

To reach the goal of Financial Independence you should start early—continue steadily—and arrive safely.

We shall be glad to assist you in this worth while endeavor.

OLDEST TRUST COMPANY IN WILL COUNTY

A GOOD PRACTICAL EDUCATION THE BASIS OF SUCCESS

Every prudent father and mother is anxious to give their children the best possible start in life. A practical well balanced education is considered essential. This can be accomplished right here in Joliet in the High School and Junior College. While the youngsters are growing up through the grade schools the parents can save enough to put them through in good shape. But it should be done systematically in our Savings Department.

Come in and let us show you how it can be arranged.
